God has provided in many ways over the last year and we have a lot to be thankful for. The church responded time and time again to requests for help both at home and abroad. Donations from giving were up over 25% and this allowed the church to make donations of over £29,000. All interest free loans had been repaid and there was money in the bank. There will be challenges in the coming year and currently £17,500 is required to cover maintenance. Rental Income which helped finance the church had reduced by £27,000 as a result of the pandemic.
