

Guidelines for Video / Film Clips being shown in the Auditorium

1. The Film Certification should be checked by the Person responsible for the event.
2. In the event that it has not received a 'U' certification, the Publicity Team should be contacted to allow the insertion of a suitable notice into the slides that are shown before the service commences.
3. The Chair person should also draw this to the congregations' attention prior to the clip being shown.

Guidelines for Video / Film Clips being shown during Kids Club or other activities

1. The Film Certification should be checked by the Person responsible for the event.
2. In the event that it has not received a 'U' certification, the Publicity Team should be contacted to allow the insertion of a suitable notice into the slides that are shown before the service commences.
3. The Chair person should also draw this to the Parent's / Carer's attention prior to the film being shown. The Parent's written consent should be obtained.
